Launch Party & Office Warming
Friday, December 4, 2009
5:00PM-10:00PM

Please join us as we celebrate the launch of **Spring Garden Pictures** by members of **Coyopa Productions** at our new office location in Philadelphia! We are excited to introduce you to our new space and new venture. **Spring Garden Pictures** is a non-profit organization that produces films that evoke wonder and awe in the natural world and beyond. We'll have great music, tasty drinks and light fare. We'll also be featuring the artwork of Peter Kinney, as well as our latest film creations and projects in development.

Artist **Peter Kinney** has been working directly with natural materials to create paintings and installations for over twenty years. We'll be exhibiting a selection of works on paper that combine delicate watercolors with raw earth from his many travels across America. A longtime member of the Highwire Gallery, Peter's work was recently featured in the April 2009 issue of Orion Magazine. Art show will run through February, 2010, M-F 10AM-4PM
